### **JET - The Japan Exchange and Teaching Program**

#### **Student Information Session**

The Japan Exchange and Teaching Program seeks to help enhance internationalization in Japan by promoting mutual understanding between Japan and other nations. The program also aims to improve foreign language education in Japan and to encourage international exchange at the local level by fostering ties between Japanese youth and foreign youth.

The objectives of the program are being achieved by offering JET Program participants, the opportunity to serve in local government offices as well as public and private elementary schools, junior high and senior high schools.

Monday, October 22, 2012
